Checklist for Community Based DSG Funded Project:

Before submitting your Matching Grants Application, please take a moment to review this checklist. If you have any questions or concerns, please contact your representative on the D-5190 Grants Subcommittee.

- Does the project meet all grant policies and guidelines (see *The Guide to Humanitarian Grants* (144-EN) on the RI Web site at www.rotary.org)? Does the project description clearly state how the project will assist those in need? Is this a NEW project?
- Is a letter of participation endorsing the project attached from the organization benefiting from the project?
- Is a cooperating organization involved? A cooperating organization is a project participant involved in the project other than a Rotary Club or the project beneficiary. If so, is there a letter from the organization, specifically stating its responsibilities, how it will work with Rotarians, and its agreement to cooperate with any financial review of the project?
- Is documentation supporting the proposed budget included?
- Does the project budget, section 5, match the proposed funding, section 6?
- Has the club accepted reporting responsibility by signing page 4?
- Has the community partner (organization benefiting from project) and the club president signed pages 3 and 4?

Have you made copies of all documents for your files prior to submitting them to D-5190?

Note: The project cannot be started until the District Simplified Grant application has been approved by D-5190.
