Spotlight News

Greetings from Area 7

Area 7 covers the three clubs in Amador County—Jackson, Lone, and Amador Up Country. Each club has had a very successful and fun filled year. Kelly Thomas of Amador - Up Country, wearing a tiara and cape throughout the year, has brought a lot of fun to a flourishing club. Lone, under the leadership of Gail Hooper, has become a very active and strong club even though small in size. The Jackson club guided by President Pat Holland had several new members and enjoyed good projects. Members in each club never fail to step up when there is a need to demonstrate "Service Above Self".

JACKSON ROTARY

The year started with members working at their wine booth at the Amador County Fair. The booth serves many fine premium wines and has been remodeled several times through the years. The club also plans and staffs the Demolition Derby at the Fair. Various youth programs and the local food bank benefit from the money generated by these two events.

Another annual event is the Bowl-a-thon. This provides the opportunity for local youth groups and other organizations to raise funds for their programs. This year the event generated over \$15,000.

May brings the Mother's Day Brunch that is sold out each year. This is the 12th year it has been held and the club will donate the proceeds to purchase new kitchen equipment at the Amador County Senior Center.

President Holland started a program to honor local businesses and their owners who have remained successful through the years. Each was honored at a regular meeting of the club.

IONE ROTARY

The club held their first Steak and Lobster Dinner. It was voted a success and will be repeated next year. They provided the community with the opportunity to enjoy a New Year's Eve dinner and casino night including dancing and fun.

Cooking again, their annual crab feed featured a sports memorabilia auction.

One unique fundraiser is the Cow Chip and Calf Chip Bingo to be held during Lone Homecoming in May. The money raised helps fund local projects and scholarships.

The club participated in the local "Christmas to Remember" drive that purchases winter clothing for school children. This year the Christmas Bike program presented over 100 bikes to underprivileged children in the community. The lone club purchased a helmet to go with each bike.

Other community activities involved the installation of play equipment at the City Park and a commercial sink at the hall at Howard Park. Both projects bring enjoyment to the residents and visitors to lone.

AMADOR UP COUNTRY

A major project this year has been to design, provide the materials and labor for two evacuation trails for the Pioneer Elementary Schools. These trails will serve as an emergency exit for the students if needed.

The multi-year project is the purchase and installation of covered bus stops in several areas of the County.

The club provides food boxes during Thanksgiving and Christmas for those in need. The members assist with the delivery of hundreds of these boxes.

Members purchased books, read them to the students, and then presented the books to two schools. This was part of their "Adopt-a-School" program.

The big fundraiser of the year is the annual crab feed and auction. Members continue to participate in the community golf tournament, provide scholarships, contribute to the Science Camp and assist with graduation night.

Submitted by John Bree, Assistant Governor

Annual Giving & Polio Eradication Contribution

We have received a reminder from Adam Friedman, Annual Giving Officer, Rotary Foundation that we are nearing the end of the fiscal year and we need to remit our contributions to the Foundation as soon as possible. As of March 31, 2004 the District Annual Giving Program is \$175,613 of our goal of \$260,000 or 67%. The Polio Eradication Fund is \$389,769 of our goal of \$519,020 or 75%. Thank you for those that have made their contributions. MAKE YOUR CONTRIBUTION TODAY AND LET'S ACHIEVE THE DISTRICT GOALS. It is suggested that each Club Secretary be reminded to send in the contributions received from our Club membership for the Annual Giving Program and Polio Eradication Fund. Although Club recognition will be given at our District Conference to Clubs who have reached their established goals by the end of March, contributions received will be credited towards your annual goal until the end of the June 2004. Let's get credit for this years Rotary Foundation efforts by sending in the report forms expeditiously.

You can contact either Mark Solomon, Annual Giving Chairman at 530 257-5013 or Chuck Elizondo, Rotary Foundation Chairman at 530 272-4715 if you have questions.

Governor's Message

One of the highlights of a Governor's year is the District Conference. If I may say so myself, our Conference Committee did an exceptional job, from having great weather, great location, an outstanding program and speakers. Pat Castellucci and her committee are to be commended for their outstanding job of coordinating such diverse activities from the music and speech contests, Ecumenical service, and necrology to transporting over 250 Rotarians and guests up 2,000 feet to Squaw Valley's High Camp. Thank you for putting on such a warm and friendly Conference.

I also will be remiss if I don't recognize the great support that the Tahoe City Club, my own club, has given me. They came through when things became tough. One case in particular was when we were without a Chairman for the golf tournament. Mark Moore stepped forward and did an exceptional job in putting on one of the best at the Sierra Nevada Gold Ranch.

Lead the way!

Through out the Spotlight you will see articles on the District Award, music and speech contests and pictures highlighting Conference events. These are some of the things we celebrated. The District was honored to have Floyd and Sandra Olson represent Jonathan Majiyagbe and Rotary International at our Conference. Their warm and

friendly personality will be remembered for many years. During Saturday's presentation, Floyd presented two "Service above Self" awards. There are 150 awards given each year to members in 529 Districts. We were honored to have two members of our district selected. Congratulations to two outstanding Rotarians: Barry Turner and PDG Chuck Elizondo.

A reminder to all Clubs that the Silver Bell is waiting to be awarded to the Club with the largest percentage net increase in members by the end of June. I will present it personally to the winning Club.

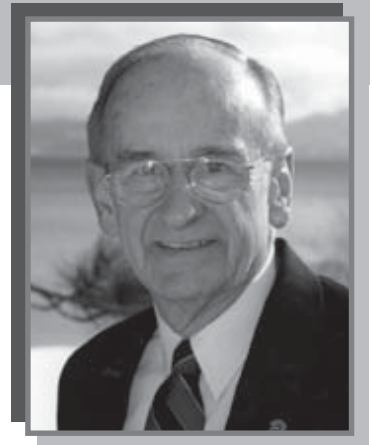

One other reminder is that each Club has until the end of June to accomplish their Foundation giving.

Applications for District Governor for the year 2006-07 should be sent to PDG Bill Reeves by May 15.

Send to: Box 3933, Carson City, NV, 89702
or email to billreeves@aff.net.

This has been a great year. I am looking forward to representing the District at the Rotary International Convention in Osaka. In the June Spotlight I will give you an update on the Convention and give you a State of the District report.

Bob Hartsfield, District Governor

*Robert "Bob" Hartsfield

Sign up for District Newsletter "Link" to be e-mailed to you.

1. Go to District Web Site <http://www.rotary-district5190.org/>
2. In the left hand Navigation Box select "Edit Profile" under "Forum"
3. In the Registration Form enter "Your Name" Any "Password" and your e-Mail address
4. In the Profile Information Form enter only "Your Name" and "Club Name"
5. In the Forum Preferences Form – click "Yes" to everything
6. Click "Update Profile" Box.
7. You will automatically receive the newsletter link each month. Click on the link and the newsletter will be downloaded to your computer. Enjoy and thank Rafael, Maurine & Sue!
8. In the likely event that these instructions aren't clear contact crosbypat99@comcast.net and for real technical stuff contact Rafael at <mailto:info@visionasp.com>

Spotlight on Club Activities

ALTURAS

NOONER — News has been a little sparse this month. Everyone misses PDG Joe Coffin and his weekly bulletin productions. A new editor will take over soon.

ALTURAS SUNRISE

That famous marble game still goes on. No idea how much money is in the pot — Perhaps we will learn who wins the money or to what charity it will be contributed. Stay tuned.

AMADOR UPCOUNTRY

THE TOPPER — Busy Rotarians. They read books at a local school, continued their work on an evacuation trail for the students to use in an emergency, and now are considering purchasing picnic tables for a garden at the community center.

AUBURN

The big project called "Project Auburn" is nearing. A total of 800 volunteers will be needed to complete the effort to paint 18 to 20 houses in the area. This will include preparation of the buildings prior to the actual day of painting. — When that is finished the members move on to their Fun Run at the Gold Country Fairgrounds.

AUBURN DAYBREAK

NO REPORT

AUBURN GOLD COUNTRY

GOLD COUNTRY NUGGETS — Plans for Rotarians to participate in the Community Day and Fun Run are underway. — A wonderful new idea from this club is to have a newly formed avenue of service called the "Snitch Committee". Every club should have one.

CAMERON PARK

NO REPORT

CARSON CITY

NO REPORT

CARSON CITY SUNSET

The club will partner with the United Blood Services to sponsor a blood drive. Extensive publicity will encourage donors to come and bring their children because child care will be available. Rotarians think of everything.

CHESTER

ROTA-REPORTER — Members have a student from Chester High School give a report each month on activities at the school. — The wine tasting event was a huge success. Interact Club members were available to assist with the serving. — Wonder if anyone noticed the big mistake on the front page of the bulletin dated April 1, 2004. Or was it an April fool's joke?

ELKO

BARB WIRE — If you are keeping score on the necktie raffle here is the latest information we have— \$1360.00 and 14 cards left. — The bulletin had an excellent article with ideas for membership development for clubs.

ELKO DESERT SUNRISE

NO REPORT

ELY

NO REPORT

FALLON

NO REPORT

GEORGETOWN DIVIDE

NO REPORT

GRASS VALLEY

THE SPOKE — Club will have a section in the paper, members will buy space, and the purpose is to promote Rotary in the community — Back from Korea, as the leader of our GSE team, is Nancy Palmer — The Club is also proud of PDG Chuck Elizondo on his award at the Conference.

GREENVILLE

Rotarians will participate in the Indian Valley Treasure Hunt. The club's portion is known as the White Camel Sale. It will increase the treasury with the sales of lots of good items, but no clothing.

INCLINE VILLAGE

VILLAGE WHEEL — One bulletin was devoted to the four Avenues of Service with their addition of a fifth called "Youth Service". The purpose was to encourage members to volunteer for participation in the avenue of service in which he or she is most interested.

IONE

NO REPORT

Speech Contest Finalists at Conference

"How can YOU make a Difference"

Ten young adults spoke at this year's conference. We heard from two Freshman women that were incredible. We had one having us laugh and one that spoke on changing the progress of Truckee Valley.

First Place

David Payne - Area 4
*"It was the Best of Times,
It was the Worst of Times"*

Second Place

Nat Phelps - Area 6

Third Place

Ronna Lao - Area 11

Congratulations to all contestants for a great job!

As a final farewell as this year's District Speech Coordinator, I want to thank again all those that helped make it one of the Districts best. Now go out and make that difference.

Spotlight on Club Activities

JACKSON

ROTARY TAILINGS — Members will hold their 12th Mother's Day brunch this year. It is dedicated to the memory of Chuck Connor who developed the idea and served as Chairman until his death.

LOYALTON

SCREWDRIVER — The doors to the storage facility have been installed, work is progressing on the July 4th auction, and now the members will donate the barbeques from the Rotary Park to the City of Loyalton. Rotarians will assist with the installation as part of their community service.

MINDEN

ROTA-SAGE — The club has purchased a plaque for a permanent display at a local school. It will be engraved with the winners of the "Most Improved Student Award". Another good idea to keep Rotary before the community. —And a new idea floating around is the possibility of a night golf tournament as a fund raiser.

NEVADA CITY

The club will have a display at the District Conference at Granlibakken (not Reno as their bulletin stated). — New members attended a fireside chat and learned from the older members about Rotary.

NEVADA CITY 49ER BREAKFAST

49er FOOTNOTES — This is a Rotary club where members enjoy singing, but they have difficulty finding a song to everyone's satisfaction. Suggest they get copies of "Songs for the Rotary Club" available from RI. This book might solve their problem.

NEVADA COUNTY SOUTH

The club collects eyeglasses as part of their International liaison with a Rotary club in Mexico. — They also collect empty inkjet and toner cartridges that are donated to the Red Cross who in turn gets cash.

PENN VALLEY

NO REPORT

PLACERVILLE

NO REPORT

POLLOCK PINES-CAMINO

NO REPORT

PORTOLA

ROTARY ECHO — The club celebrated 66 years of existence and reviewed their achievements. Congratulations! — They are finally going to clean those grills that have been waiting all winter. — And the club will donate a book to the school library in the name of the speaker each week.

QUINCY

Rotarians had a very nice letter in the bulletin from their RYE student who is in Chile. Hard to believe, but she says the Rotary Club meets each week at 9PM with the meetings lasting four to five hours!

RENO

RENO ROTARIAN — Members took time from their busy fundraising activities to honor one of their own. Ollie Aymar celebrated his 89th birthday and 50 years as a Rotarian. Congratulations to him.

RENO CENTRAL

CENTRAL LINE — It is reported some Rotarians have been referred to in the past as "old crabs". This club took advantage of that phrase and held a crab feed that brought \$37,000.00 to the treasury. After a few bills are paid, they will net about \$20,000. It pays to be a crab.

RENO SOUTH

NO REPORT

RENO SUNRISE

GREENE'S FLASHES — No reports yet from the 15th John Haliwell Memorial Sporting Clay Shoot. This is a major fundraiser for the club.— New members were invited to attend a fireside meeting to become better informed about Rotary.

(Continued)

RYLA Camp Assistance Needed

Assistance is requested for the RYLA camp to be held this year June 13-18. We would like to provide a video of the camp to be used in public relations, information for potential campers and for our presentations next year. We do not currently have funding for this task or to house an extra individual at Granlibakken. We are seeking either someone in the Tahoe City area who can provide this service without the associated housing or sponsorship funds for this purpose.

ACTION REQUESTED:

1) Call to District 5190 clubs in the Tahoe City area with access to video resources; and /or

2) Call to District 5190 clubs to contribute to sponsor the contracting for video services or housing someone from out-of-the-area who can contribute those skills.

Any help you can provide to get this message out ASAP would be appreciated. Email to: barbihudson@yahoo.com or call: (w) 530-889-6951 or (h) 530-888-8325.

Submitted by Barbara Hudson

Spotlight on Club Activities

SMITH VALLEY

VALLEY VOICE — The club realized an important part of every fundraiser is a report of income and expense when the event is concluded. They, therefore, retraced the last three years of their Fun Day to begin a reporting system for future use. Every club should take note.

SOUTH LAKE TAHOE

TAHOTARIAN — They sold a record number of tickets for their Great Car Sweepstakes. The new record is 1,332 tickets with 25 finalists selected to try the winning key for the car.

SPARKS

ROTARY EXPRESS — The club donated \$5000.00 toward the Rotary Centennial Park. — Planning ahead finds the committee meeting to begin work on their Oktoberfest. What organization!

SURPRISE VALLEY

NO REPORT

SUSANVILLE

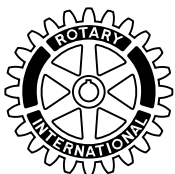

NO REPORT

SUSANVILLE SUNRISE

NO REPORT

TAHOE CITY

Ro-TAHOE — Another club beginning to plan for their fund raiser in September. Their auction committee has selected the benefactors for the event. — Tracy may be appointed to investigate future International projects such as a school in Mexico or a clinic project in a foreign country.

TAHOE DOUGLAS

WHEEL HOUSE — They had a very successful fund raiser in a Wine Tasting event. The end result was \$41,000.00 to donate to organizations in the community. Their primary benefactor will receive \$15,000 and a matching amount from an anonymous donor.

TAHOE INCLINE

MORNING CLUB — The members are able to read Rotary International news presented in a brief form each week. Excellent idea when blended with club news.

TONOPAH

NO REPORT

TRUCKEE

ROTARY RAG — If you plan to attend this club you will note (that's a pun) they meet at the Tahoe Donner Clubhouse Bar and Grill. This is a change for them. With the move will come a different payment plan that will be one payment quarterly. —They spent two days working on the Legacy Trail. More community service.

Twin Clubs Project

On May 17, a five-member first responder team, will be arriving in Reno from Inowroclaw, Poland.

This team will be in Reno for two weeks to study how paramedics, fire and police respond to traffic accidents, industrial accidents, and other life threatening emergencies.

The team members are from the Inowroclaw area, a county seat two hours northwest of Warsaw. They are comprised of two medical doctors, a fire captain, a paramedic and a paramedic student. While in Reno they will ride with REMSA, which is ranked one of the top paramedic services in the United States. They will also ride with Reno fire and police, and visit hospitals and Washoe County Regional Emergency Training Center.

TRUCKEE SUNRISE

SUNRISE SQUAWKER — The Monte Carlo night was sold out this year. Final accounting of the money not available at press time. —As if that did not occupy their time, members swung right in to assist the noon club with the Legacy Trail project.

WESTWOOD/LAKE

ALMANOR

NO REPORT

YERINGTON

Members will be assisting with plans to entertain RYE students on a weekend in May.

NOTICE

The District Newsletter is mailed to each District Officer and Club Presidents.

The Club Secretary will receive it by email and is requested to FORWARD the newsletter to each member of his/her club.

You may contact Pat Crosby, District Secretary at: crosbypat99@comcast.net

This trip is part of the Twin Clubs cooperation between Reno Sunrise and the Rotary Club of Inowroclaw.

Two Rotarians have arranged this trip, Martha Greene of Reno Sunrise and Dr. Przemyslaw Paciorek of the RC of Inowroclaw. The team members were chosen by the RC of Inowroclaw and will be hosted by Rotarians in Reno.

These two clubs have cooperated in the past on a Matching Grant in 2001 that provided ultrasound equipment, and they have submitted a second another Matching Grant for an endoscope.

This grew out of the Group Study Exchange from District 5190 to District 2230 in May of 1999. Martha Greene was the GSE team leader. The team's first hosting club was the RC of Inowroclaw.

PAT CROSBY,
DISTRICT SECRETARY
