

Your Rotary Club's Ready-Made Polio Eradication Program Fundraiser

The Rotary Club of Medford, Oregon has patented a rose and named it the "Goodbye Polio Rose®." Our Club is pleased to offer fellow Rotary Clubs an opportunity to sell this Rose as part of their own "Polio Eradication Program" fundraiser!

Selling is easy!

Fifty Medford Rotary Club members sold over 360 bushes locally, in the first year of the fundraiser!

Proceeds from

each bush

will provide

vaccinations

to at least

15 children!

Details: Your cost is **\$8 per bare root and/or potted rose** (depending on availability) with a minimum order of 48 per club. Suggested resale price is \$20 per plant.

For your cost, the Rotary Club of Medford will provide you with:

- Potted and/or bare root Goodbye Polio Rose bushes.
- A colorful descriptive tag is provided.
- A poster template for advertising the rose sales.
- A form to keep track of orders and delivery dates.
- Planting and growing instructions.

For information and ordering visit our website, <http://rose.rotarymedford.org>

or contact: John Thiebes

(541) 690-8353**

The 'Goodbye Polio Rose' bush is a Silver Medal winner!

Other attributes include:

- large quartered blooms in clusters.
- cream flower with a blush of apricot
- very double blooms
- hardy, disease resistant and requires minimal care
- ideal for a patio planter or most any landscape
- grows best in agricultural zones 5 (-15°+) and above
- very creative gift idea!*
